

When annual Gift Card sales top \$40 Billion Nationwide and the average retailer shows nearly 14% of holiday sales made from gift card buys...

We felt it was time to bring these benefits to our members...

FlexCache Gift Card Program is now available for our HBA Members.

FlexCache is Chase Paymentech's flexible gift card solution. Use FlexCache for your refund, prepaid, customer loyalty and employee programs. FlexCache can integrate with most terminals and POS software products on the market today for seamless use.

FlexCache now has options that are very affordable and designed to work with your specific business needs.

FlexCache Now! - Create your own limited runs of gift cards with your company information. Low minimums of 100 card orders and reorders, (for \$120) with optional reloading capability, and real-time/monthly reporting. Only \$9.95 per month with no transaction fees. EVER!

FlexCache Advantage - Create your own gift cards with your company logo. Low minimums of 500 card orders and reorders (Prices vary from \$410-\$530), with optional reloading capability, and real-time/monthly reporting. Only \$9.95 per month with no transaction fees. EVER!

Call our Chase Paymentech representative to learn more or how to begin your very own gift card program:
